

# ~Let's Count!3~

There are three capsule toys.  
Each costs **2**, **3**, or **5** coins to play once.

Which capsule toy do you want to play,  
and how many times?

Three empty rectangular boxes with rounded corners, colored blue, yellow, and green, each with a corresponding colored coin icon on top. They are intended for recording the number of times each toy is played.Three empty rectangular boxes with rounded corners, colored blue, yellow, and green, each with a corresponding colored coin icon on top.Three empty rectangular boxes with rounded corners, colored blue, yellow, and green, each with a corresponding colored coin icon on top.
